To our LA City Officials

I am a resident of the Cahuenga Pass and I am alarmed by the recent increase in crime, homelessness, including tent encampments, and trash in the street.

Please do more to address these issues! I and many of my neighbors would be happy to help by participating in neighborhood clean-ups and donating supplies to the homeless shelters. I personally would be fine with a homeless shelter in the area. I have seen some posts on line about a former fire station that could be used. We are happy to help, but we can't do it on our own.

I can't walk down the the corner market with my young son without seeing garbage and being approached and even accosted by stoned homeless people. Every day I read about home and car break-ins, mail being stolen, and even home invasions.

Please be proactive and help solve these problems.

Sincerely

Michele Lacher

This one is is different location than the other emails - though homelessness in the Cahuenga pass area isn't new. Lano - is this area on our list already ?
